We are as the one among the top-notch premier manufacturers, suppliers, and exporters of wide spectrum of products used in telecommunication, electrical, and hardware sectors. Our product range is supplied to various domestic and abroad markets.

About Us

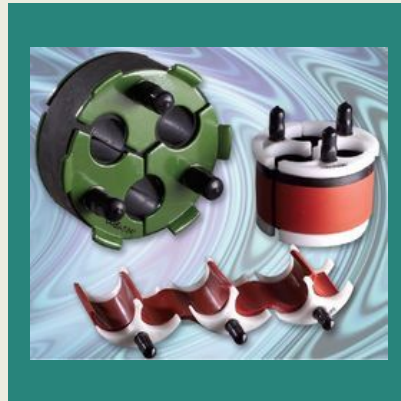

We, **Pushpa Exports Private Limited**, are premier manufacturers, suppliers, and exporters of a wide spectrum of products used in telecommunications, electrical, and hardware sectors. Our product range includes Optical Fibres, Cables, Wires, Connectors, Tapes, Clamps, Accessories, Cords, Boxes, and many more. Every single product that we manufacture is noted for its supreme quality, durability, and long service life. Our products are also high on performance and efficiency. This is the result of our adherence to the international quality standards. In addition to our own manufacturing of products, we also deal in branded products in telecommunication sectors, such as Tyco Electronics (TE Connectivity), Krone, Raychem, 3M etc. in the areas of Access Telecom Network, including Fiber Optic Network. Our rates are very competitive but the quality of products is not compromised. Having been in this business for the last 13 years, we now have a strong client base in Saudi Arabia, Oman, other countries of Middle East, Bangladesh, Africa, and Australia. Resultantly, we are now among the leading exporters in this domain.

We, **Pushpa Exports Private Limited** have a well coordinated team of highly skilled and qualified professionals who work round the clock to serve our clients in the best possible manner. Our clients have often remarked positively...
